>>>
>>> Hello Mark,
>>>
>>> Since our chat on Wednesday, I wanted to follow up with you to see
>>> how things were looking regarding my talking to John Pavitt or Patti
>>> McGrath about the Pebble mine project. I'd love to set up time to
>>> talk with them by phone sometime early next week, if that works with
>>> their schedules.
>>>
>>> I know we also talked about potentially wanting to speak to someone
>>> on camera from EPA about the Toxic Release Industry and Superfund
>>> list as they relate to the hard rock mining industry. I think that
>>> is something we would definitely like to do and our production team
>>> based in Denver could very easily accomodate a Seattle interview on
>>> their way back from an upcoming Alaska trip. Did you have someone
>>> in mind for that in your Seattle office who I could have a phone
>>> chat with about that potential interview and what we'd like to cover
>>> in it? We are looking at Friday, September 4, as the potential
>>> shoot day in Seattle, depending on how that
>>> works on your end. Although it's a month away, we'd love to start
>>> lining things up since our team will head out on the road starting
>>> in mid-August.
>>>
>>> I appreciate your help on this and if we don't talk today, have a
>>> great weekend.
>>>
>>> Cheers,
>>> Kendra
